FRISCO AMENDS EMERGENCY ORDINANCE TO ALIGN WITH GOVERNOR'S EXECUTIVE ORDER OFFERING 'RETAIL TO-GO'

(April 21, 2020) Tonight, the **Frisco City Council** voted to amend its ordinance to align with [Governor Greg Abbott's latest Executive Order, issued April 17](#), which allows for 'Reopened Services' or what's being called '**Retail To-Go**'. Beginning Friday, April 24, non-essential services may offer 'Retail To-Go' through pickup or delivery to doorstep or by mail.

"We're excited to reopen Texas, reopen Frisco and do it in a safe and meaningful way," said **Mayor Jeff Cheney**.

The guidance below is based on recommendations from the Centers of Disease Control (CDC) and outlined by Texas Department of State Health Services. [Read the entire DSHS document](#). **Under 'Retail To-Go' employees are required to:**

- Be trained in environmental cleaning, disinfections, hand hygiene and respiratory etiquette ([CDC resource here](#));
- Be screened before coming into the business for illness (*including 'feeling feverish' or measured temperature higher than 100+*);
- Wash or sanitize hands before entering business;
- Wear face coverings;
- Maintain at least 6 feet from one another.

Under 'Retail To-Go', customers:

- May purchase items for pickup, delivery to doorstep or by mail, **but may not enter the premises**;
- Should pay by phone, online (or minimize direct contact if remote payment is unavailable);
- Should wash or sanitize hands after transaction.

Pickup:

- Employees should place purchases in customer's backseat or trunk;
- Employees must wash or sanitize hands after each customer interaction and disinfect items that came into contact with customer.

Deliveries:

- **By doorstep:** Employees or third-party carrier should deliver to doorstep. Neither can enter customer's home or business.
- **By mail:** No customer contact.

Frisco's amended ordinance takes effect at midnight. A special call meeting will be held Monday, April 27 to consider Governor Abbott's next, anticipated Executive Order.
