BARBARA MILO

Barbara Milo is a powerhouse of positivity and purpose. As the Director of Park Experience at HALL Park, she's lovingly known as the "Queen of Fun" creating vibrant and engaging events for the tenants at HALL Park.

A passionate leader in the Frisco community, Barbara serves as Chair of both the Frisco Chamber of Commerce and the Frisco Chamber Foundation, where she champions growth, collaboration, and big ideas.

When she's not planning community events or energizing teams, you'll find her courtside cheering for her daughter's volleyball team or enjoying life's little moments with her family. Barbara brings heart, humor, and a whole lot of sparkle to everything she does.
