

MENTOR

JAY TAYLOR

Jay Taylor is the Managing Member of CuppaPug Texas LLC, a unique venture blending his passion for pug rescue with a rich background in strategic leadership and operational excellence.

He is known for building high-performing teams and executing plans that drive significant growth, with extensive experience in the fast-paced world of Silicon Valley startups.

As a disabled veteran and former US Army Armor NCO, Jay brings a unique perspective on leadership and resilience to mentoring the next generation of entrepreneurs in his community.
